Shopping Directory

Leyburn is home to a fabulous array of independent businesses. Run with enthusiasm and passion they offer variety and individuality now so hard to find on city streets, dominated by big brands.

Quality and friendly customer service are the watch words for businesses built on traditions which, for some, date back to the Victorian era.

Family-run businesses, traditional butchers and bakers, fashion shops, jewellers, gifts and homeware all thrive in Leyburn and the bustling Friday market also offers plenty of choice. The town also hosts farmers' markets every fourth Saturday of the month, offering the very best in local produce.

From the practical to indulgent Leyburn has everything covered - with many unique items you simply won't find anywhere else!
